REVIEW PROPOSED  
AMENDMENT FOR STATE  
CONSTRUCTION CODE  
ADOPTION ACT AND STATE  
CONSTRUCTION CODE  
SECTION 203(44)(e)

#### **DECISIONS AND RECOMMENDATIONS**

A motion was made by Bill Green to approve the minutes from the January 5, 2012 meeting as written. The motion was seconded by Kevin Bell and passed unanimously.

The committee reviewed the current proposed amendment for deep seal trap that the Commission sent back for further review. Ray Moore passed out a proposal for a new amendment that would just add a definition. Following a discussion on the proposed amendment, a motion was made by Ray Moore to

make a recommendation to approve the new definition for deep seal trap. The motion was seconded by Bill Green and passed unanimously.

Ray Moore passed out a handout that highlighted the changes in the 2012 IPC. Those present reviewed the items for Chapters 1 – 5.

During the review of Chapter 3, the committee reviewed the new requirement for testing with air in Sections 312.3 and 312.5. Ray Moore introduced a proposal for a new amendment for Section 312.3 Drainage and vent air test and Section 312.5 Water supply system test. Following a review of the proposal, a motion was made by Bill Green to recommend approval of the new proposed amendments for Sections 312.3 and 312.5 of the 2012 IPC as a state amendment. The motion was seconded by Jeff Park and passed unanimously.

Those present reviewed the current amendments for the IPC and the following recommendations were made:

A motion was made by Kevin Bell to make a recommendation that the current amendment for Section 101.2 be kept. The motion was seconded by Michael Moss and passed unanimously.

A motion was made by Michael Moss to make a recommendation that the current amendment for the definition of backflow backpressure, low head in Section 202 be kept. The motion was seconded by Bill Green and passed unanimously.

A motion was made by Michael Moss to make a recommendation that the current amendment for the definition for certified backflow preventer assembly tester in Section 202 be kept. The motion was seconded by Mark Jenkins and passed unanimously.

A motion was made by Michael Moss to make a recommendation that the current amendment for the definition for cross connection in Section 202 be kept. The motion was seconded by Kevin Bell and passed unanimously.

A motion was made by Michael Moss to make a recommendation that the current amendment for the definition of potable water in Section 202 be kept. The motion was seconded by Nathan Lunstad and passed unanimously.

During the review of the current amendment for Table 303.4, it was noted that the amendment will need to be modified. Michael Moss will submit a proposal for review at the next meeting.

A motion was made by Ray Moore to make a recommendation that the current amendment for Section 304.3 be kept. The motion was seconded by Kevin Bell and passed unanimously.

A motion was made by Kevin Bell to make a recommendation that the current amendment for Section 311.1 be kept. The motion was seconded by Michael Moss and passed unanimously.

The recommendation for the current amendment for Section 312.10 through 312.10.2 will be review at the next meeting and Michael Moss will make the recommendation for any changes.

A motion was made by Ray Moore to make a recommendation to amend the current amendment for Section 403.1 by changing the word Section to Table and changing the footnote from g to h and to keep the current amendment as amended. The motion was seconded by Bill Green and passed unanimously.

During the discussion on the current amendment for Section 406.4 it was noted that the amendment will need to be renumbered to 406.3. Ray Moore will come back to the next meeting with a proposal of any changes that might need to be made.

A motion was made by Kevin Bell to make a recommendation that the current amendment for Section 412.5 be kept. The motion was seconded by Michael Moss and passed unanimously.

The review of the current amendment for Section

504.7.2 was tabled until chapters 8, 9 and 10 are reviewed.

A motion was made by Kevin Bell to make a recommendation that the current amendment for Section 504.7.3 be kept. The motion was seconded by Michael Moss and passed unanimously

Bill Green asked if IAPMO had submitted the information that was requested at the last meeting in connection with the request from Pete Crow for this committee to review the 2012 Uniform Plumbing Code. Dan Jones informed the committee that Pete Crow withdrew his request to have the 2012 UPC reviewed.

The next meeting will be on March 8<sup>th</sup> and chapter 6 will be reviewed.

The meeting adjourned at 10:45.

*Note: These minutes are not intended to be a verbatim transcript but are intended to record the significant features of the business conducted in this meeting. Discussed items are not necessarily shown in the chronological order they occurred.*
